

Webinars

SCLC's webinar series is integral to the technical assistance provided by the SCLC. Nationally recognized smoking cessation experts offer the latest information related to smoking cessation (including effective interventions) for the general and the behavioral health populations.

The Goals of SCLC's Webinar Series:

- Provide training and technical assistance to raise awareness of the many benefits smoking cessation efforts and to increase understanding of effective smoking cessation strategies.
- Implement or enhance existing tobacco cessation services using evidence-based practices.
- Ensure that consumers and staff have access to smoking cessation services and support to promote health and wellness.
- Establish partnerships between behavioral health and nicotine cessation organizations to increase available tobacco cessation resources in communities.

SCLC has over 100 webinars covering the latest topics on tobacco addiction and recovery
