

## National Center of Excellence for Tobacco-Free Recovery

## **SAMHSA Behavioral Health Treatment Services Locator**

SAMHSA continuously updates its directory of mental health and substance abuse treatment facilities across the country, based on responses to its National Mental Health Services Survey (N-MHSS) and National Survey of Substance Abuse Treatment Services (N-SSATS). SAMHSA has developed an online search engine that allows the public to find mental health and/or substance abuse treatment facilities in their city, county, state or nationwide along with what smoking cessation services they provide and whether they have a smoke-free campus policy. Please see below for instructions on how to use SAMHSA's Behavioral Health Treatment Services Locator and contact Brian Clark at Brian.Clark@ucsf.edu if you have any questions.

**Example**: To search for all mental health treatment facilities (example) in a specific state:

- 1. Enter state name in search bar
- 2. On next page under Find Facility (in top-right corner), select "state" and "Mental Health" (deselect "SU & MH")
- 3. You will see a list of facilities (separated by location) below the search bar and will have the option of downloading the list into an excel document or print. You can also sort via a variety of factors and filter by name, address, phone number, and zip code
- 5. If you decide to download the list of facilities, a window will open that asks if you want to include services information; by clicking that box, you will see what services each facility provides by acronym in the excel file (for tobacco related services, this includes tobacco free campus status, screening for tobacco use, offering NRT, offering non-nicotine medications, and offering counseling) please see below for acronym definitions related to smoking cessation services and smoke-free policy (a "1" in the excel file cells will be shown to indicate that the facility offers a specific services or has a policy):

STU = Screening for tobacco use

TCC = Smoking/tobacco cessation counseling

NRT = Nicotine replacement therapy is available

NSC = Non-nicotine smoking/tobacco cessation medications are available

SMON = Smoking not permitted on campus (policy)

SMPD = Allows smoking in designated area
